April Mission Focus: Annie Armstrong Easter Offering

The offering was started in 1895 by Woman's Missionary Union® (WMU) to benefit the work of the Home Mission Board (now North American Mission Board). In 1934, it was named in honor of Annie Armstrong, a bold missions advocate and WMU's first national executive leader. Today, more than \$2 billion has been donated by Southern Baptist churches and individuals to support thousands of missionaries in church planting and compassion ministries. Because of this sacrificial giving, millions of lives have been and continue to be transformed by the power of the gospel. Many North American cities could be called pre-Christian. Even in the traditional "Bible Belt" Christianity is being pushed to the margins. In the midst of this, God is bringing the nations to our shores and offering unprecedented opportunities for the gospel. At the North American Mission Board, we see a mission field that needs the hope of the gospel. With your partnership, we're committed to taking this hope to cities, small towns and college campuses by giving through the Annie Armstrong Easter Offering.
