**January Mission Focus: Caring Hearts Pregnancy Center**  
**Saving Lives, Strengthening Families & Engage, Educate, Encourage, Empower, Hope**

Since opening on May 8, 2006, Caring Hearts has had the honor and privilege of assisting and ministering to thousands of people in Alexander County, free of charge. Think you're pregnant? Are you struggling in a dating relationship? Struggling with miscarriage or infant loss? People come thru our doors with layers of stuff to be dealt with, it's never just a simple crisis pregnancy. CHP allows clients a safe place to come and process their emotions and feelings. We want to see the lives of mothers and fathers and unborn babies transformed by the gospel of Jesus Christ. Throughout the ministry, the gospel is the central theme. Bible studies and memorizing scripture are just two opportunities that clients receive in education. This empowers parents to be the best that they can be. The goal is to minister to the physical, emotional and spiritual needs of women and their extended families as they deal with the circumstances surrounding a present, potential or former pregnancy by sharing the truth and love of Jesus Christ. To find out more information or donate online go to [www.caringheartspc.com](http://www.caringheartspc.com) or call 828-632-1680.
